

NFL-NFLPA COVID-19 Regular Season Testing Cadence for Club Facility

Category of Individual	Testing Requirements
Players on Club Roster	<p>Daily PCR Testing</p> <p>*If a player leaves the club and misses a test, he must undergo Re-Entry Testing: Day 1-PCR; Day 2-PCR + POC; player enters facility on Day 2 if Day 1 PCR and Day 2 POC are negative</p>
Street Free Agents/Tryout Players	<p>Pre-Entry Testing: 2 negative PCR tests, taken 24 hours apart, and 1 negative POC test, taken 24 hours after the second PCR test, before the player may enter the facility on Day 3 to try out or join the club for in-person team activities.</p> <p>Ex: Day 1-PCR; Day 2-PCR; Day 3-PCR+POC; enter Day 3 if Days 1 and 2 PCRs and Day 3 POC are negative.</p> <p>For a Free Agent Player who begins testing with a new club 1 day after his contract is terminated, or 1 day after a tryout with another club: 2 negative virus tests, one of which may be a POC test on the day of entry, each taken after the player arrives in the club city and 24 hours apart; before he may enter the facility to take a physical or participate with the club. Ex: Day 1-PCR; Day 2-PCR+POC; enter Day 2 if Day 1 PCR and Day 2 POC are negative.</p>
Claim/Trade/Other Club Practice Squad Players	<p>Pre-Entry Testing: 2 negative virus tests, one of which may be a POC test on the day of entry, each taken after the player arrives in the club city and 24 hours apart, before they may enter the club facility to take a physical and/or participate with the new club.</p> <p>Ex: Day 1-PCR; Day 2-PCR + POC; enter facility on Day 2 if Day 1 PCR and Day 2 POC are negative</p>
Club Owners	<p>Pre-Entry Testing/Testing Required if not testing regularly within a Tier: 2 negative tests, taken on two consecutive days, one of which may be a POC test on the day of entry.</p> <p>Ex: Day 1-PCR; Day 2-POC; enter Day 2 after negative POC.</p> <p>Testing Thereafter: Tested in accordance with his or her relevant Tier.</p>
Tier 1, Tier 2, Tier 2M Individuals	<p>Pre-Entry Testing: 2 negative tests, taken 24 hours apart: Day 1 PCR; Day 2 PCR and POC; individual enters the facility on Day 2 if both Day 1 PCR and Day 2 POC are negative.</p> <p>Testing Thereafter: Daily.</p> <p>*Tier 1/Tier 2 Individuals who miss a test must undergo Re-Entry Testing: Day 1-PCR, Day 2 PCR + POC; individual enters the facility on Day 2 if both Day 1 PCR and Day 2 POC are negative</p>
Club Medical Staff not at the club facility on a daily basis	<p>Pre-Entry Testing: 2 negative tests, taken 24 hours apart: Day 1 PCR; Day 2 PCR and POC; individual enters the facility on Day 2 if both Day 1 PCR and Day 2 POC are negative.</p> <p>Testing Thereafter: 1 POC Test, taken the day he or she will be entering the club facility</p>
Tier 3 Individuals	<p>Pre-Entry Testing: 2 negative tests, taken 24 hours apart: Day 1 PCR; Day 2 PCR and POC; individual enters the facility on Day 2 if both Day 1 PCR and Day 2 POC are negative.</p> <p>Testing Thereafter: Once per week.</p>
NFLPA Reps/NFL Official Visitors/Drug & Steroid Policy Collectors	<p>Pre-Entry Testing: 2 negative tests, taken on two consecutive days, before they may enter. One of these tests may be a Point of Care (POC) Test.</p> <p>For Drug/Steroid Policy Collectors who are at the facility on a daily basis, they may test thereafter at the regular Tier 2 Testing Cadence.</p>
NFL/NFLPA COVID Protocol Inspectors	<p>Pre-Entry Testing: One negative PCR test, taken the day prior to entry; <u>inspection must take place after hours, when Tier 1 Individuals are not present.</u></p>
